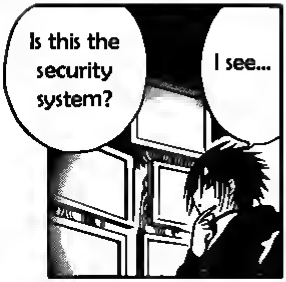
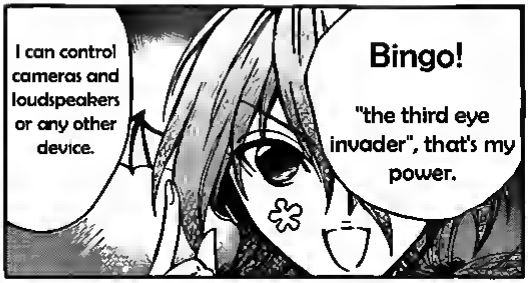
Axel, you moron, don't just agree to help her that easily!!

Hmmmm, gargoyles are the guardians of the world, it's said they have the power to foresee things.
After all, they still exist today. Did you say you invaded the security cameras?



I see...
Is this the security system?



Bingo!
"the third eye invader", that's my power.
I can control cameras and loudspeakers or any other device.

Oh, that's why you have come.
You look very calm perhaps you didn't hear me?!

It seem that they haven't reached the rest of the black guys.
Why is the worst part up to me?!
Because I say so.

Now that I think about it... Can't gargoyles fly?
You don't shut up, eh? Because our ancestors didn't move, they ended up degenerating their wings... a little.
We have noticed!
That is why I collect garbage.*

Stay strong! I once went out to buy food and it took me two days to get back.
